#### PHILIPPIANS READING QUIZ

Don't look at your Bible! Did you read this morning's passage before you came? Try your hand at this one-question quiz (answer on the back).

In 2:12-18, Paul gives the Philippians specific instructions for how to "work out their own salvation...." What's his ultimate reason for them doing these things?

- A. So that Paul can be glad and rejoice with them always.
- B. So that the Philippians won't deny the finished work of Christ.
- C. So that when the King appears Paul will be proud that he didn't run in vain.
- D. So that the Philippians will enjoy peace that surpasses understanding.

Read Philippians 2:19-30 for next week (be ready for another quiz!).

TRIVIA // Kelly Perkins, age 57, is the first heart transplant recipient to have climbed the Matterhorn, Mount Fuji, Mount Kilimanjaro and El Capitan in Yosemite. She uses her climbs to raise awareness about organ donation. In addition to the challenge it presented, Perkins was drawn to El Capitan because of the heart-shaped cut-out within its lower right section.
